PRESS RELEASE

CHARLES & KEITH Horizons Continue with a Special Edition Capsule

SINGAPORE, 7 September 2026 – Horizons is the next chapter in CHARLES & KEITH's story — a perspective shaped by open skies, distant coastlines and the quiet promise of what lies ahead. It reflects on thirty years of design while embracing the possibilities of the future, capturing a brand in motion rather than one looking back.

One of the key expressions of Horizons arrives as a special edition capsule: an intimate study of the design codes that have defined CHARLES & KEITH over the years. If Horizons offers the panoramic view, the capsule is its close-up — a considered exploration of the silhouettes, materials and details that have become synonymous with the brand's identity.

At its centre is a single colour: grey. Not borrowed from seasonal trends, but drawn from something far more familiar — the CHARLES & KEITH paper bag and packaging. For years, this understated shade has quietly accompanied every purchase, becoming an unmistakable part of the brand's visual language. Now, it steps into the spotlight, transforming an everyday signature into the foundation of the collection.

The capsule brings together a considered edit of accessories across handbags, footwear, eyewear and jewellery selected to reflect the breadth of the brand's design language and the silhouettes that have shaped its journey, reimagining the iconic silhouettes in a burnished monochromatic finish. The Hazel Bow Top Handle Bag, Philomena Half-Moon Crossbody, Louise Knee-High Boots and Silko Ballet Sneakers each reveal a distinct facet of the brand's aesthetic, while the Gabine returns in both East-West bag and slide sandal forms. Sculptural micro bags, statement eyewear, refined jewellery and the playful Dodie Bear Charm complete the edit with a balance of sophistication and lightness.

CHARLES & KEITH

More than a retrospective, the Horizons Special Edition Capsule celebrates the evolution of familiar forms — celebrating the past while quietly shaping what's next. It marks the milestone of a year-long journey that will unfold through immersive experiences and storytelling across the Horizons platform.

The CHARLES & KEITH Horizons Special Edition Capsule launches at selected CHARLES & KEITH stores and online from 8 September 2026.
